RE: Instructor Approval

Dear Mohammad Rouf:

The Department of State Health Services (DSHS), Environmental & Sanitation Licensing Group, has reviewed your request for approval and qualifications of **Mohammad Rouf** as an accredited asbestos training instructor for Globetec Group, Inc. Currently, this individual is approved under §295.55(f)(1-2) of the Texas Asbestos Health Protection Rules(TAHPR) to teach the following asbestos course(s):

- Asbestos Worker Initial.
- Asbestos Worker Refresher.
- Asbestos Contractor/Supervisor Initial.
- Asbestos Contractor/Supervisor Refresher
- Asbestos Inspector Initial.
- Asbestos Inspector Refresher.
- Asbestos Management Planner Initial.
- Asbestos Management Planner Refresher
- Asbestos Project Designer Initial
- Asbestos Project Designer Refresher
- Asbestos Air Monitoring Technician Initial
- Asbestos Air Monitoring Technician Refresher
- Texas Law and Regulation

Instructors are qualified to teach only courses for which they have received approval from DSHS and have current accreditation. It is the training provider's responsibility to forward copies of training certificates to DSHS for any training that is updated.

If at any time when requesting to add an instructor to your training program, you must submit the required documentation referenced under following §295.55(f). The information must be received, verified, and evaluated by DSHS before the individual(s) may instruct approved courses. In the event an instructor is deleted from your training program, you must send written notification to DSHS within 15 working days of actual occurrence. Should you have any questions or require additional information, please contact the Environmental & Sanitation Licensing Group at 800-572-5548 (in Texas) or 512-834-6600.

Sincerely,

A handwritten signature in cursive script that reads "Alison Haskell".
